Sacred Sectors
The black entities on the map to the right have designated as E
Groups and are also considered to have neighborhood functions that are of a spiritual nature.
Some researchers have actually described them as wards.

The triatic nature of these structures could have a spiritual connotation

Mosiah 25: And O Unit Al11-48 now all the people of Nephi were assembled Palacio Group Muknal Group together, and also Pek Group Group all the people of Platform 10 Zarahemla, and OPlatform 25 they were gathered nel Group together in two bodies. Group A Jul Group Platform C-32 River is east Group C of Zarahemla and is Structure 8C-3 running north

Hermounts Scriptural

Locations that Triangulate with the City of Zarahemla

Land of Bountiful

Ammonihah

Zarahemla ● Ceibal

Antionum *Uxbenka*

Land of Melek Gideon *Machaquila*

Manti Cancuen

South Wilderness

Head of Sidon River
Pasion

Water from rivers, lakes, streams and oceans nearly come together at the narrow neck and at a location in southern land of Nephi

Alma 22:32 the land of Nephi and the land of Zarahemla were nearly surrounded by water, there being a small neck of land between the land northward and the land southward.

Similarities in the positioning of Nephite cities in the Sidon River Basin
