

Purpose of the Book of Mormon Tour Helps

These single page descriptions of a specific Book of Mormon site are designed to provide pertinent information to the traveler about the site. There are times when there is not the opportunity to get a clear understanding of what the traveler saw and these bulletins will help with that understanding.

Before embarking on the trip, down load and print the sites that will be visited. It is advised that the bulletin should be printed on 65 lb. cardstock or greater. This will provide more durability and be more serviceable.
