Other cities in the area:

- Lemuel
- Shimnilom

The land of Middoni and Ishmael are to the west

Ammon's Hill

**Mosiah 7:16** And now, king Limhi commanded his guards that they should no more bind Ammon nor his brethren but caused that they should go to the hill which was north of Shilom and bring their brethren into the city. . . .

The Nephites loved this valley, and they tried on numerous occasions to get away from snakes, misquotes, heat and high humidity that was prevalent in the city and land of Zarahemla.
